## APPROVAL & SIGNATURE REQUIRED

Approve online by launching [MyAerospace Order Status](#) or reply directly to the email which you received this quotation.

- ☐ **Accept Quote: OVERHAUL**
- ☐ **Return As-Is Uncertified (Quote to be Provided)**

This estimate is based on initial examinations of the unit and includes labor and material required to perform the work indicated, as well as calibration and testing to meet published specifications and to obtain a release tag. Honeywell reserves the right to make an adjustment to this estimate based on actual material and labor costs incurred. You may indicate approval of this estimate by signing below. Please advise immediately if any relevant AD's are required.

Honeywell offers OEM certified aftermarket units with one year warranty through Honeywell Aerospace Trading (HAT). HAT also purchases certain units beyond economical repair (BER). To obtain a replacement unit, purchase additional spare units, or to inquire as to your unit's value, please contact HAT at if in the United States: 1-866-TALK-HAT (1-866-825-5428); or International: 480-293-9751. You can also inquire online at [www.aerospacetrading.com](http://www.aerospacetrading.com).

**Approved By:** \_\_\_\_\_

**Date:** \_\_\_\_\_

NOTICE: If the Quote is rejected, Honeywell will Return-As-Is uncertified and the minimum Return-As-Is/Evaluation fee may be assessed. If the Quote is approved, or in the case of no response, Honeywell will proceed with repairing the equipment at the Quoted price and invoice the Customer accordingly. No fault found units will be invoiced the Return-As-Is/Evaluation fee and returned to the Customer. Unless covered by an agreement in force between Honeywell and Customer, this quote and any services provided hereunder shall be subject to the Honeywell Repair and Overhaul Terms, which are available at [www.myaerospace.com](http://www.myaerospace.com).
